Dear DES Families,

The long wait is over and the IGCSE and A level results have been published. It is another excellent year for Dukhan English School students. I am delighted to celebrate and share some of the key data with you. In another year of incredible achievements across the board, the highlights for AS include:

- AS: 100% pass rate in Art, Economics, English Literature, History, Geography and PE.
- AS: 97% pass rate in English Language
- AS: 93% pass rate in ICT

Below you can see how DES compares to UK national averages.

We wish our graduating students well in their next steps of their journeys of lifelong learning. It is important to thank all the staff and parents that have supported these students and helped them to achieve these amazing results. Our dedicated teaching staff set the highest standards for our students, providing them with the support and encouragement they need to achieve their full potential in every subject they choose to pursue here at DES.

Kind regards,

Colter Watt
